

AZ Fusion Volleyball Philosophy

As coaches and parents, our emphasis is on fun, family, friendships, & fundamentals. We encourage our children and those that we coach to compete with honor and respect.

Fun

This is a sport, but it's also a game. Games are meant to be fun, and we learn better when we are having fun.

Family

We treat everyone as family with dignity and respect and expect the same from all. We support each other in ups and downs.

Friendship

We encourage the girls to create and build lifelong friendships. After all, games are more fun when playing with friends.

Fundamentals

We teach the fundamentals of volleyball, how to work as a team and how they can bring out the best player and teammate they can be.

We play with honor; we win and lose with honor and we treat everyone with respect.

Fun • Family • Friendships • Fundamentals

AZ Fusion Volleyball Fee Schedule

As a nonprofit team, we believe in empowering communities through sports and mentorship. Our dedicated volunteer coaches offer their time and expertise without any financial compensation. We are committed to maintaining complete transparency with all costs associated with our programs, ensuring that every dollar paid is used efficiently. By keeping our financial practices open and clear, we foster trust and accountability, allowing us to focus on what truly matters: making a positive impact in our players and their families lives.

Below is a list of the costs associated and how they will be broken down for each player.

1. \$175 NYS Elite Fee per player. By registering as a team, we get a discounted rate of \$1400 for a team. Any fees left from paying the team fee, will be applied towards practice location fees.
2. \$2000 fee to rent a school for practice locations twice a week.
3. \$10 jersey rental fee – Jerseys have been purchased by the Weedon's to be used and loaned out to each player for the season. With this rental fee, we will make up our cost over the next 3 seasons.

Depending on the number of players that we have these will be the fees per player.

8 players = \$435

10 players = \$350

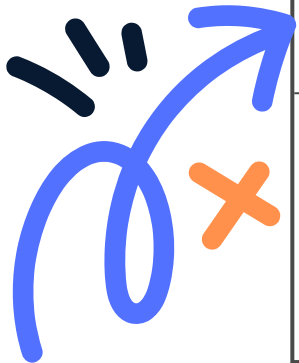

12 players = \$294

If you have any questions about these costs and fees, please feel free to contact Chris, Deb or Mike.
